Judy Coutts, AIA Architect of Altoona Receives Best Of Houzz 2017 Award Four Years in a Row

Altoona, PA, January 30, 2017 – Judy Coutts, AIA Architect of Altoona has won “Best of Customer Service” on Houzz®, the leading platform for home remodeling and design. The architecture firm was chosen by the more than 40 million monthly unique users that comprise the Houzz community from among more than one million active home building, remodeling and design industry professionals.

The Best of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Customer Service honors are based on several factors, including the number and quality of client reviews a professional received in 2016. This is the fourth consecutive year that the firm has received this award.

"Providing a high level of service to my clients is important to me. Whether we're organizing the work to meet a tight deadline or coordinating the work of several trades, our firm is dedicated to supporting our clients' goals for their projects. Thank you, clients, for making it possible for the firm to be recognized for the fourth year in a row by Houzz for this customer service award," said architect, Judy Coutts, AIA.

“We're so pleased to award Best of Houzz 2017 to this incredible group of talented and customer-focused professionals, including Judy Coutts, AIA Architect,” said Liza Hausman, vice president of Industry Marketing for Houzz. “Each of these businesses was singled out for recognition by our community of homeowners and design enthusiasts for helping to turn their home improvement dreams into reality.”
